- The average Pole eats about 155 eggs a year, of which about 30 fall during the holiday season.

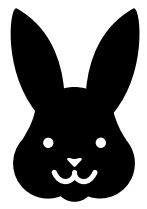

# EASTER TRADITION IN POLAND AND TRIVIA

- According to Easter tradition, the table during the holidays must include all the dishes that we missed during Lent. When celebrating Easter, the tables must include żurek (Easter rye soup) with white sausage and pieces of egg.
- It is said that 90 million chocolate bunnies are produced around the world every year for Easter.
